ATELIER TANG

KORENE TANG

ATELIER TANG PTE LTD

Founded in 2008, Atelier Tang stands as a good representation of the new generation firm that embraces the unpredictable. While others emphasize on consistency and fixed standards, Atelier Tang stands firm as a passionate boutique interior design company that aims to adopt a view on the revolutionary, seeking to be different through their concept, creativity, and the customization of its approach with every project attempt. Through this, it offers clients its full dedication for their successful projects, as each one is a unique treasure of a diverse team of professionals. Like an open window
